C.O.O.R. Plans Skill Center

Don Nagy, Vocational Director for C.O.O.R. Intermediate School District, recently announced details for the planned Vocational Skill Center to be built next to Kirtland Community College. Highlights of the plan include:

1. The Vocational Skill Center will be owned and operated by the C.O.O.R. Intermediate School District.
2. Its primary goal is to provide vocational education programs for secondary students from the following high schools:
 - Grayling High School
 - Maple Forest High School
 - Maple Forest High School, West Branch
 - Maple Forest High School, East Branch
 - Maple Forest High School, North Branch
 - Maple Forest High School, South Branch

3. The Center will be constructed next to the present Kirtland Community College campus and will not duplicate facilities already existing at Kirtland.

4. Kirtland Community College and C.O.O.R. Intermediate School District will enter into long range agreements concerning shared utilization of facilities before the Center becomes operational.

5. New instruction will consist of approximately 47,000 square feet and will provide space for 14 additional vocational programs. These programs will be available to college students and adults during the hours not generally used by high school students.

6. There are several sources of financial assistance for building and equipment of the center. 50% of the cost of building for equipment is expected from the State Department of Education. Other sources will further reduce the cost to local taxpayers. It is expected that the local share of the construction and equipment costs will be approximately 30%. This amount will be collected during the first two years of the levy and the building will be operational without any bonding or debt necessary. This, of course, saves additional monies that would have otherwise been spent on bonding.

7. The Center and the available KCC facilities will accommodate 700 high school students each year.

8. The millage request will be for 1 mill. This is an adequate amount to fund the Center and later to continue the operation with no need for additional tax dollars in the foreseeable future.

9. All programs operated will be approved by the State Dept. of Vocational Education, and many will receive State reimbursement, further offsetting the need for local tax dollars.

10. Local schools will not pay tuition or any costs for the Center programs. The local schools' only expense will be transportation to and from the Center, which will be reimbursed by the State at the same rate as they reimburse regular School transportation.

11. The Center will have provision for serving the handicapped and disadvantaged.

12. All students will be receiving instruction in "job seeking skills" along with their regular skill training. The Center staff will include a person whose responsibilities will include the follow-up activities. This "follow-up" process will be to contact every graduate of the program several months after they leave to determine if they got a job, what type, how well satisfied they are, how could the training be improved, etc. This is a very essential part of the Center's operation.

13. The co-op program will be a regular part of the vocational Center's overall program. Its objectives are to give the student on-the-job experience practicing the skills he or she learned in the vocational classroom. The program has been operating for several years already on a limited basis and we are very pleased with the fine cooperation and assistance we have received from the business and industries of this area.

14. Each vocational program will be overseen by a community Advisory Committee, representing people involved in work related to the program. This is essential so that the training remains relevant to the business or industry in which the student will seek work.

15. The entire financial needs and the curriculum will be subject to annual review by the six local Boards of Education. The See Skill Center on page 13

Post Office To Close All-Day Sundays

Postmaster James Baker announced this week that starting this Sunday, April 23, the lobby at the Post Office will be closed all day.

Reason for this, Baker stated, was the late arrival of any mail on Sundays. He added, that the afternoon truck arrived after the normal 2:00 p.m. closing that has been in effect.

Petitions For Kirtland Board

Nominating petitions for Kirtland Community College Board of Trustees are due 4:00 p.m. Tuesday, April 25, 1978. There are two 6-year terms open on the college Board of Trustees.

The election is coordinated with local school elections on June 12, 1978. Nominating petitions are available at the president's office of Kirtland Community College.

Marshall Motel Vandalized

Two youths, apparent runaways from Camp Shawano, are in custody today following their apprehension by Sheriff Dept. deputies late Saturday afternoon. Both suspects in a spree resulting in the ransacking of game machines at the Marshall Motel.

Steve Sauter, owner of the motel, reported that two youths were seen departing from the motel area at about 5:30 p.m. after being surprised by motel guests. Several machines were ransacked in the motel game room—total value of the equipment was placed at about \$5000.

Two youths, estimated to be in the 12-15 year old age range, were quickly apprehended by Sheriff's Dept. deputies at the city park. Both are in custody pending further investigation by the Sheriff's Dept.

One More Joins School Board Race

One more person has entered the race for one of the two seats on the Crawford AuSable Board of Education.

Stephen E. Sauter of Grayling announced this week he would be a write-in candidate for the school board.

Sauter joins Mary A. Allen, Fred Allen, Pauline Petrofsky, Jack Stockhaus and Clem Sajdak, in the race for the two posts being vacated by James Duley and Dave Wyman.

G.H.S. Musical To Open May 4th

On Thursday evening, May 4th, the curtain will go up on this year's Grayling High School Musical, "HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING." Last minute preparation are being made by both the cast and crew in order to have a smooth rolling show. The crew is making sure that all stage props are in place, the chorus practicing dance steps and songs; and most of the cast is going over their lines just to be sure.

The work of this play started late in January as the production staff were selected, with auditions starting the first week of February. Rehearsals continue for many hours a night, 5 nights a week. During the rehearsals various sounds are heard, among them singing and lines together, as the cast goes through the show; hammering as the stage crew work to finish a prop, and sound of the costume committee making sure the outfits fit and look good.

Tickets are now on sale at the Grayling Pharmacy, for the 3 public performances of "HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING." All tickets are \$2.00, and all seats are reserved. So buy your tickets early to be assured of a good seat.

Consumers Power Plans to Sell AuSable-Manistee Riverlands

JACKSON, MI, APRIL 12—William L. Reid, manager of land and right of way for Consumers Power Company, announced today the company's plan for selling AuSable and Manistee riverlands, leased by private individuals.

Reid said well over 7,000 acres are under lease to some 400 private leaseholders who will be affected by today's announcement. The majority of the leases will be offered four choices: outright purchase, a 30-year lease, the right to negotiate their existing lease, or to terminate the lease and vacate the property.

Lease sales not purchased by the lessee will be offered for sale to the Dept. of Natural Resources, or the United States Forest Service. A letter explaining the options in detail has been sent to the appropriate lessees, Reid stated. He estimates it could take up to three years to complete the disposition of all the leaseholds. No other lands are being considered for sale to private individuals, and the company no longer leases land.

Consumers Power Company has offered to sell a major portion of the land along the two rivers to the DNR and the USFS. Last June was initially offered to sell the DNR approximately 1,700 acres, as the first step of the agency's proposed purchase of some 17,000 acres. This sale will be consummated as soon as possible.

School Costs At Bottom

The Michigan Dept. of Education released statistics this week showing the Crawford AuSable Schools operating costs per pupil to be at the top of the state. The average cost per pupil in the state was \$1,100, while the Crawford AuSable Schools' cost was \$1,200.

The reason for this, the department said, was the high cost of transportation and the high cost of salaries.

Youth Services

The Grayling and Crawford County Youth Services Center will be open to the public on Friday, April 21, 1978 from 10:00 a.m. to 4:00 p.m. The center will provide a variety of services for youth, including counseling, group therapy, and individual therapy.

To The YFU Committee

The following is a letter received by Fay Bovee.

I have so much to say I don't really know where to start. My family is really nice. My father is a salesman. He sells gloves to Belgium and France. My mother is a very sweet woman, she speaks a little English, but she's learning more and more. I have five sisters. The oldest is married and lives nearby. The next two are studying and working. They live with us. My 18-year-old sister is in New York for the year. A few weeks ago she went to Arizona and Mexico with my family. My parents at home really enjoyed having her for two weeks. Then I have a 16-year-old sister who shares a room with me. I also have a brother Peter. He works and lives at home. We live in a town called Nuenen. It has about 20,000 people in it. It's mostly houses. Most of the people work in Eindhoven. Eindhoven is a bigger town of 190,000. It's about two miles away. I go to school there. I've changed schools since I've been here. My first school was Eckart College. It had 2,000 kids there. It was different from Grayling all right! I couldn't speak enough Dutch to follow the classes and I wasn't learning anything so now I'm in a new school. This school is smaller, and people have more time to help me. I'm learning Dutch better now. In my first school there were three other Americans, so I was just seeing them. My new school has only girls, in some classes there are boys, but none in mine. I'm taking typing, biology, crafts, English, Dutch cooking, sewing, child care and gym. I'm having a lot of fun. Every day I ride my bike to school. You'd think I was crazy if you could see what I ride my bike in, snow, rain, hail and very strong winds. Why I gave up my car for this I'll never know! I thought things would be different, but not this different. I love it though! It's going to be hard leaving my family and this country. I'm having lots of good fun. I can't write about everything.

I've been traveling a lot since I've been here. I've been all over Holland and Belgium. Over Easter my ma, pa, sister Tose and I all went to Paris. It was like a dream. I went to the very top of the Eiffel Tower. It was beautiful! My sister and I shared a room in the hotel and we had a great view over Paris. Today I got a letter saying I was invited to the Queen's Parade. It's May 1st and she's celebrating her birthday. So all of the American kids in Holland get to go to her parade. We can take her flowers and give them to her. I'm excited! YFU pays for our train ride there. YFU is also sending the American kids in southern Holland and Belgium to London for five days in May. So I'm getting to see a lot of the world.

My family gave me and my sister a double birthday party. We both received very nice gifts. It'll be one birthday that I'll never forget.

Your YFU exchange student,
Joan Baynam (Netherlands)

Author Book

By Fay Bovee

Leonard N. Allison, Ph.D. with the help of John G. Hnath and Warren Yoder are the authors of a book put out by the Dept. of Natural Resources. The book, Manual of Common Diseases, Parasites, and Anomalies of Michigan Fishes was published by the DNR Fisheries Division in June of 1977 and is available from them.

Dr. Allison as one of few fish pathologists in the U.S., had collected the material for the book over the past 25 years during his work with the Fisheries Division. It contains many photographs of the more common afflictions of fish in Michigan which were photographed by the staff of the Grayling Research Station. The illustrations should facilitate identification of the various parasites, diseases and anomalies that affect Michigan fishes.

The 132 page manual was designed primarily to assist fisheries personnel to identify the common afflictions of fish in Michigan. References are included for those readers who wish to consult technical reports.

Congratulations to these three men for their accomplishment.

Youth Bowling

The results are in for the Lower Northern Area Team Tournament. We are happy to say ten of our young ladies have earned third place trophies. Peanut girls and major girls both placed third. Bowling for Peanut girls were Dalynn Grant, Stacey Campbell, Penny Tompkins, Michele Mosher and Audra Small. On the majors team were Pam Kellogg, Valerie Bielske, Miranda Canfield, Penny Dedafoe and Terri Dedafoe. They will receive trophies from Michigan Y.B.A. at the special area awards banquet to be held in June. Nine of the ten teams from Grayling, who bowled in the tournament placed in the top ten in their divisions. Congratulations to all of you.

Our youth season is nearly over. Roll-offs will be Saturday, April 22 at 11:30 for every league except the Early Birds. It will be Legion VS Comfort Center, Francis Real Estate VS Flowers by Josies and Carol's Mobil VS 2. Friday's bowling will determine the winner of the 2nd half and they will bowl against Carol's Mobil.

The Youth banquet is set for Wed. May 3rd, 6:00 P.M. at the Legion Hall. This year we are limiting the banquet to the youth bowler and one parent per family. Please bring a dish to pass. Meal, Beverage and table service will be provided.

Bids Extended

The due date for bids on construction at the Roscommon Metropolitan Park has been extended from April 14 to April 21.

Use Caution When Burning Trash From Spring Cleanup

LANSING--Spring is the time of year when people begin raking lawns and doing a variety of spring clean-up chores. It's also the time of year when careless burning of trash and debris causes fires that destroy hundreds of acres of land.

"One fire last year in the northern Lower Peninsula burned 1,800 acres when a burning piece of paper toppled from a trash barrel," says Ben Kinsey, Dept. of Natural Resources Regional Fire Supervisor stationed in Lansing.

Debris burning is the largest cause of wildland fires in Michigan, he says. Many people dispose of trash and debris by burning without first checking local regulations.

"Before burning anything, contact your local fire dept.," Kinsey advises. "You may need a burning permit or there may be other restrictions on burning trash in your community."

After receiving permission from your local fire department to burn trash, you may want to set up a permanent container for use year-round. Kinsey says a standard 50-gallon metal drum makes a good burning barrel.

The barrel should be cover-

ed with a heavy metal grate or large gauge wire mesh with opening of 1/4 to 1/2 inch. Be sure to clear a strip of ground at least five feet from the perimeter of the barrel and locate the barrel well away from buildings and grassy fields.

Never burn trash when it is windy. Kinsey says. Late evening often has calm winds and is the best time to burn debris. Don't try to crowd too much into the barrel. And make certain that the top screen is securely in place.

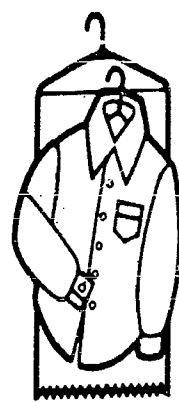

Even after taking these precautions, keep an eye on the fire at all times. he emphasizes. Never leave a fire unattended.

From Our Corner....

Following last week's endeavor, of which we were again proud of, only because it was one more column out of the way...we ventured out on Friday night to join the crowd who attended the dinner for Susie Smith feeling quite confident there was nothing in our corner to bring any controversy...we were wrong...

Your favorite editor had his ears pinned back, and they were still ringing Saturday morning...the problem, we didn't realize some of our readers don't forget from other corners...

We were told...and how come...we didn't follow up on the fact the Road Commissioners are appointed by the County Board of Commissioners...our lame excuse to our tormenter, was we asked around and found out this has been going on since, I guess, the formation of Crawford County, and figured there was nothing we could do about it.

We did come up with a comment from a source, that possibly if enough pressure was put on our county fathers, a change could be made if they wished to relinquish the appointment way, and put the offices up to the voters...it's a thought.

There is a letter to the editor appearing in this issue signed Sandy Pines Pete. Pete is a young fella who has retired out of Detroit following some 40 years in the printing trade. He came by the office the other day to let us know he would be sending articles from Mt. Hope Lutheran Church seeing as how Rev. Paul made him the P.R. man. There is a possibility we will pick up his column in the future...he says he's good.

Last week we also heard from a disgruntled reader through a third party...seems as how this one is perturbed that we mention our granddaughters far too much, and should pay more attention to the weather...after listening to the gripe, we promised we would do just that...John Sofka, the friendly moon-faced owner of Southend Total asked of us to just request two sunshine days in a row...if you were up and about Sunday and Monday John, you must realize the connection we have...and it is suppose to rain Wednesday.

The above was the first promise we made... And to fulfill John's other request, no way will we mention a thing about T.J., Stef and Amber this week in our corner.

If you have stayed this long with us...all we wish to say, is have a beautiful week...spring is finally with us...

Notice Of Public Hearings

The Crawford County Housing Commission will hold two public hearings, scheduled for Monday, April 24, 1978, at 7:30 p.m., and on Tuesday, April 25, 1978, at 3:00 p.m. Both public hearings will be held in the Commissioners Conference Room, located in the basement, of the County Building, Grayling, Mi.

The purpose of these public hearings will be to discuss the planning stages for submission of a preliminary grant application for HUD Community Development Block Grants.

All interested residents of Crawford County are urged to attend these hearings.

The board of Supervisors in session this week made some drastic proposals in salary cuts for county officers. And the office of Register of Deeds will be combined with that of Co. Clerk if their plans carry through. The present salary for County Clerk is \$1500 per year and that of Register of Deeds \$600 per year. The latter salary was cut in 1930 from \$800 to \$600. The salary under the proposed plan of consolidation is \$1,400 per year—a saving of \$700 annually. The treasurer's salary of \$1,500 is to be cut to \$1,100 and that of Sheriff from \$1,100 to \$750. The school commissioner's salary will be cut from \$600 per year to \$350, the Probate Judge from \$600 to \$450 per year and the Prosecuting Attorney from \$1,100 to \$1,000. Their salary schedules were offered only as proposals and cannot legally be acted upon before next October, when it is the plan of the Supervisor we understand, to put it into operation, to take effect Jan. 1st when the new county officers take their offices. The school commissioner's office continues to operate for three years longer and no charge in salary can be enforced in the meantime without the consent of that official. A further plan of the board, it is reported, will be for the fees coming to those offices to be turned into the county fund instead of becoming a

part of the remuneration of the official incumbent. And it is further proposed that there be a 10% reduction in salaries effective at once.

Baseball season was officially opened at the Beaver Creek township schools last Monday when the Hardwood Standard School and Love's school played a double header on that day. In the first game the Love's school walloped their archenemies to the tune of 37-9, and the worm turned in the final game and Mrs. Smith's team came from behind to defeat the previous victors 22-21.

James E. Kellogg, supervisor of Lovells township was unanimously elected chairman of the county board of supervisors at its first meeting beginning here last Monday. Tony Nelson, supervisor of Grayling township, was elected vice-chairman. This makes the 20th consecutive year that Mr. Kellogg has served his township as supervisor. As the dean of the board his many years of experience gives him a knowledge of township and county affairs that makes his opinions valuable and of sound judgment.

Carl Johnson is in Saginaw and Grand Rapids on business this week.

Mr. and Mrs. Edgar Murray of Detroit are spending a few days at their lodge on the AuSable.

Joseph Kessler left Tuesday for Midland where he expects to remain indefinitely. While there he will make his home with his uncle Will Cassidy and family.

Miss Effie Hunter, a Grayling High School graduate of the class of 1930 is being employed at the State Capitol during this special session of the legislature. Miss Hunter won a scholarship in commercial work while a student in The Grayling School and later pursued the same studies at Lansing Business University. She writes that she is very happy with her new work and acknowledges that had it not been for rep. Wm. Green of our district, it would have been impossible for her to have secured her position as assistant secretary to the Journal clerk.

The Bible Speaks

From Calvary Baptist Church

Death A Blessing To Tribulation Saints Rev. 14:12, 13

Just as death brings eternal torment in Hell for the unsaved, even so death is beheld as a glorious blessing to the Great Tribulation saints.

The authority for this assurance is divine: "And I heard a voice from heaven saying unto me, Write." There can be no question concerning the author of this teaching. It is "Yea, saith the Spirit."

The blessing is conditional: "Blessed are the dead which die in the Lord." There is no blessing in death unless one dies in the Lord. One cannot die in the Lord unless one lived in the Lord. One cannot live in the Lord unless one has been born-again into the family of God by personal faith in the death, burial and resurrection of our Lord Jesus Christ for our sins.

The blessing brings rest: "that they may rest from their labours." Last week we saw the unsaved being tormented in Hell day and night with no rest. Here we have the happy contrast. Christians have the troubles and torments of spiritual labour in this life and gain eternal rest. The unsaved seek personal happiness and rest in this life and lose it for eternity. There is a future rest to all the saints of God.

The blessing brings rewards: "and their works do follow them." One goes to heaven or

hell from this life based alone on what he does with the person, work and word of our Lord Jesus Christ. This does not mean that all his works amount to nothing. The works of a Christian will be judged to determine his rewards or loss of rewards for all eternity. I Corinthians 3:11-15. The works of the unsaved will be judged to determine his degree of torment in Hell, Revelation 20:11-15. The Christian who has lived his life for the Lord Jesus Christ can rest assured that his labours of love will not be in vain. His reward is assured.

One is not really prepared to live until he is prepared to die. If you can face death as a blessing, how much more can you receive the blessings of life. One who has a fear of death, can have little lasting joy in life. Jesus said, "I am come that they might have life, and that they might have it more abundantly." John 10:10b. (adv.) Pastor Barnett

Bits O' Talk

by Fay Bovee

If you think education is expensive, try ignorance. Congratulations to Pat Zielinski, Nancy Nunn and April Andrus who just completed a Corrective Reading class held at Houghton Lake every Thursday evening. The class is accredited from CMU.

Spring has come to the Grayling Elementary building where crocus are in bloom in the courtyard. They were planted by Mrs. Yatch's second grade class.

Melvin "Pat" Nunn was the surprised guest of honor at a birthday party following the music concert last Wednesday evening. Sandy Fleming hosted the party at her home in Karen Woods. It was quite a surprise since his real birthday, St. Patrick's Day, had passed by without the usual birthday cake. The cake, a typewriter, made by Julie Holton, contained a memo to his secretary, Rita McClain.

Mr. and Mrs. Bill Sorenson, Arthur Thayer and Roger Knell attended the Credit Union Chapter's annual meeting held at Shanty Creek week-end before last. The Grayling Credit Union were co-hosts for the meeting.

Women Of The Moose

The Women of the Moose held their meeting on April 17th, with Sr. Regent Frances Barclay presiding. We had a real good turnout.

We installed Linda Shipman as Jr. Regent to fill out the rest of the year. We also enrolled 2 new members, Stella Johnson and Lorna Bernard.

The women are having a chili supper with a Tupperware party to follow on April 21st, the men are invited at 6:00 P.M.

Girls are your dues paid? You know election is coming up. Any women who are planning on going for Academy of Friendship degree, your dues must be paid up here. The next meeting will be held on May 1st. Publicity Chairman

Northern Counties Assn. To Meet Here

There will be a general meeting of the Northern Counties Law Enforcement Officers, County Prosecutors and members from the County Boards of Commissioners to approve the organization of a non-profit corporation to provide forensic evidence services to the northern counties.

The meeting is to be held at 7:00 P.M. at the basement of the Crawford County Building on Wednesday, April 26th, 1978.

The functions of the program will be discussed and teams organized to contact various Boards of Commissioners in the 21 County region for funding of the program.

Medicare

(Continued from page 1)

Then three weeks later, you have complications and you have to return to the hospital. Medicare will pay, in full, for this hospitalization and you will not have to pay that \$144 deductible again.

However, if you have been home for three months and then had to return to the hospital, you will have started another benefit period and you will be required to pay the first \$144 of your bill.

Medicare pays only for those hospital services that are medically necessary. It does not pay for such things as television, private nurses, personal comfort items or any other services that are not deemed reasonable or necessary for the treatment of your illness or injury.

Medicare hospital payments are based on a semi-private room rate with from two to four beds per room. If you want a private room, you're responsible for paying the differences in charges. In some cases, a private room may be covered if your doctor says it is medically necessary.

Other hospital charges that Medicare will cover include all meals (including special diets), operating room charges, nursing service, any drugs furnished by the hospital, laboratory tests, x-ray and radiology services, necessary medical supplies and any medical appliances or equipment furnished by the hospital. This last item includes such things as wheelchairs, crutches, braces, etc. Medicare also will pay for any medical social services required.

Here is how your Medical hospital bills are paid. You pay for the first \$144, plus any "extras" you have ordered for your personal comfort. The hospital then sends a claim to Blue Cross and Blue Shield of Michigan. BCBSM reviews the claim and once it is approved, a check is sent back to the hospital. BCBSM then notifies the Federal Government that your bill has been paid and the government repays BCBSM the amount, plus its cost for processing the claim.

Every Medicare recipient has a measure of protection in case of a hospital stay that lasts longer than 60 days. However, the government's financial contribution begins to drop after 60 days. From the 61st to 90 day of hospitalization, the government will pay all necessary charges except for \$36 a day which is your share of the bill.

So far, we have discussed your hospital coverage during the first 60 days of your benefit period, but now let's briefly discuss your Medicare protection in case of an extremely long-term hospitalization.

Should you be unfortunate

S.S. Deadline Set at May 15
 "If you need a Social Security card for work or to change the name on your card, you should act before May 15th", said Dale Averill, manager for Social Security at Traverse City.
 After May 14 applicants for first cards will need proof of their age, identity, and U.S. citizenship or alien status. To replace a card they must show evidence of identity. Many applicants after May 14th will require a personal interview.
 Currently only persons over age 18 must submit proof of age.
 Anyone may telephone or write to the Social Security Office now and will receive an application for the card in the mail. "Prompt action will permit the applicant to return the application to our office before the May 14th deadline," said Averill.

Par For The Course
 By Fay Bovee
 As Sunday dawns bright and sunny, it's a better day for even the hardest golfers who have been wearing their "long johns" the past two days to get in their 18 holes of golf.
 A small group braved the dismal weather to show up for the Social Hour Friday afternoon. Tom and Sandy want to remind everyone to come over every Friday from 4:30 to 7:00 for the Social Hour.
 Starting Tuesday noon, April 18, sandwiches will be available. During the week, they will be serving hamburgers, cheeseburgers, steak and Polish sausage sandwiches. Over the week-end, subs and other cold sandwiches will be added to the menu. On cold days there will be homemade soup. The public is welcome.
 Ken Jackson and Tom are busy planning some changes for the course. (Thanks for giving us more excuses for those extra strokes.)
 Ladies, see you on Tuesday evening, April 25.
 Ok, Marie, I'll concede you being the first woman to hit a ball; but honestly, you better stick to sewing!

Proclamation
 Relative to the Observance of Secretaries Day
 WHEREAS, a secretarial career has attained the status of an exacting and highly qualified profession; and
 WHEREAS, the secretary believes that diligence should be directed to increased learning, efficiency and loyalty in making an ever more valuable contribution to the office; and
 WHEREAS, the efficient functioning of modern society is largely dependent upon effective communication, and the modern methods of communication have come more and more to rest in the hands of secretaries; and
 WHEREAS, to recognize the secretaries and to encourage others to enter this worthy career, it is essential that rightful acknowledgement be given their talents.
 NOW THEREFORE, I do hereby declare April 23 through April 29, 1978 as National Secretaries Week, and Wednesday, April 26, 1978 as Secretaries Day and I urge all citizens to recognize the efforts made by our secretaries in the operation of industry, the professions, and government, which have made them truly silent partners in Grayling Business.
 /s/ Derek McFeters, Mayor, City of Grayling

Women's Softball
 The first meeting of the Grayling Women's Softball League was held on Wednesday, April 12th, with the following people being elected as officers: JoAnn Yoder-President; Mary Goss-Vice-President; Diane Papendick-Secretary; Carol Conklin-Treasurer. Serving on the committee to schedule umpires are Marie McIsaac and Denise Mott. The six teams that have been established to date are Arrowhead Inn, AuSable Hotel, Frederic Inn, Krumrei Beverage, Pine Knoll Campgrounds and Red Barn. The sponsors fee was again set at \$25.00 and the entrance fee for each individual player is \$5.00.
 Each team must have elected its team captain by Monday, April 24th, at which time a meeting of the officers and all team captains will be held at the home of JoAnn Yoder at 7:30 P.M. The purpose of the meeting will be to draft the by-laws for the league. Any questions or suggestions should be directed to your team captain before that date.
 On Wednesday, April 12th, at 7:30 p.m. in the high school, another meeting will be held for all league members to discuss and vote on the by-laws. Sponsor fees as well as individual entry fees are due at that time. We encourage everyone who plans to be a part of this year's league to attend this important meeting. Those who wish to play and have not yet signed up may do so at this meeting.
 Each team will play one game per week on alternate Tuesday, Wednesday and Thursday nights and all games will start promptly at 6:45 p.m. We expect to start the season around May 23rd.
 Remember the date-April 26th as this will be the last general meeting before the season begins.
 Diane Papendick

District Court
 The following appeared before Judge Francis L. Walsh in the 93rd District Court last week.
 Read Curtis Larkins, 26 of Grayling, plead Nolo Contendere to the charge of Simple Larceny. Larkins was sentenced to 90 days in jail. He was arrested on a citizens complaint on February 4, 1978.
 Richard Allen Wakeley, 22 of Grayling, Demanded a Preliminary Examination of the charge of Malicious Destruction, over \$100.00. The twelve day period was not waived. With a \$2,500.00 cash surety bond set, Wakeley was arrested on a citizens complaint on April 5, 1978 for the alleged offense.

Almanack

Lists are popular

Top concerns of public, most admired personalities don't match

Richard Milliman

Lists are popular these days, so let's take a look at a couple:

Crime is the chief concern of the majority of American people, according to a recent study.

Potomac Associates, a Washington-based group funded by the Rockefeller Foundation, recently published results of a survey on the degree of public concern about major national issues. Here are the top 10 concerns, according to the Potomac study:

1. Crime.
2. The amount of violence in American life.
3. Corruption or law-breaking by government officials.
4. Prices and the cost of living.

5. Problems of drugs and addictions.
6. Insuring that Americans in general, including the poor and elderly, receive adequate medical and health care.
7. Improving the educational system.
8. Jobs and unemployment.
9. Cleaning up waterways and reducing water pollution.

10. Protecting consumers against misleading advertising, dangerous products and unsafe foods and drugs.

It's clear that personal and public safety are bothering the American people. Lumping crime, violence, corruption and drug addiction together, means that crime and/or violence thread their ways through 4 of the top 5 concerns listed.

Take another look at the list of the top 10. Sounds like a politician's speech outline, doesn't it? We'll hear much about these issues during this election year, and the reason is that the people are worried about these questions, so the office-seekers will talk questions, so the office-seekers will talk about them. That's the way the game is played.

Incidentally, the Potomac survey also asked people who they trusted. First of all, the answers indicated the people trust themselves. The military was close behind, and politicians ranked lower, even below journalists.

Now let's check another list—the

Gallup list of persons most admired by Americans. The list at hand was published at the end of 1977 covering that period, but it's to the point here, anyway.

Not surprisingly President Jimmy Carter was the man Americans admire most although his half trillion dollar budget, and the coal strike, and other events might moderate that rating in more recent weeks.

Number 2 was Egyptian President Anwar Sadat; remember at the time, Mr. Sadat was riding the crest of hero worship die to his peace initiative and his trip to Israel.

Third was Sen. Hubert Humphrey, whose valiant fight against cancer drew public attention to his long career as senator, vice-president, and candidate.

The rest of the Top Ten went like this: Evangelist Billy Graham was No. 4, former President Gerald Ford No. 5, Henry Kissinger was 6th, Israeli Premier Menahem Begin (sharing Sadat's peace halo at the time) was 7th, Ronald Reagan was 8th.

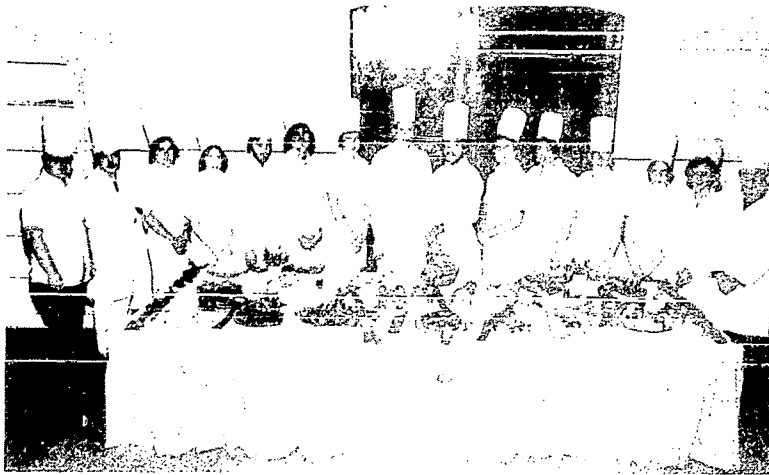

Ninth spot was a tie between Pope Paul and Richard Nixon, with Bob Hope rounding out the 10th spot.

Several others mentioned frequently included Muhammed Ali, Walter Cronkite, Rev. Jesse Jackson, Edward Kennedy, Jerry Lewis, Walter Mondale, Ralph Nader, Orin Roberts, Nelson Rockefeller, Eric Sevareid, John Wayne and Andrew Young.

Less than a half-year later, I would guess public perception of some of these folks might well change...Sadat and Begin, for example, and maybe Ali and Nixon and others.

Another interesting point is this: Although the public's top concerns are crime and violence, the list of "most admired men" does not include any who deal directly with those problems. The list of heroes instead is dominated by politicians, with entertainers and religious leaders mentioned frequently.

But where are the policemen...the crime-fighters? Maybe there's a moral in this story somewhere.

FIRST PLACE AWARD—A freshman student at Northwood Institute was part of a primary team which recently brought home ten first place awards at the Indiana Restaurant Association competition in Indianapolis. In addition the Northwood students won four second places and two third places.

Mike Myhora (sixth from right) won a first place award. Mike is from Grayling. All are students in hotel-restaurant management or culinary arts. Their instructors, Larry Anderson and Prof Eldred Paulson CFE are at left and right, respectively.

More Big Income Families in Local Area

(Special to the Avalanche)
NEW YORK, Mar. 25—Who are Crawford County's affluent? How many local families qualify for inclusion in the nation's "income elite?"

With the vast economic changes that have occurred in the last few decades — the cost of living going skyward, incomes on the rise, unemployment being at record highs — how many have come out ahead?

According to a study by the Conference Board, a non-partisan fact-finding agency, the living standards of the average American have just about doubled since the end of World War II.

"In no other comparable period of time in the nation's history," it states, "did we experience a change of such magnitude."

And, although a disconcertingly large number of families still live at the poverty level or below, the great majority have participated in the improvement.

In Crawford County, according to data compiled by the Marketing Economics Institute here, there are now some 470 households over the \$25,000 level. Of the total, 410 have incomes of \$25,000 to \$50,000 and another 60 have incomes above \$50,000.

They represent 15.5 percent of all local households.

Sweet Adelines Activities

The Mid-Mitten Chorus rehearsal was held on stage at the Roscommon High School Wednesday, April 12th. Our costumes were fitted and hemlines pinned. The face dummies were distributed to the girls to sew and the costumes are really starting to look sharp. Sue Krause came to rehearsal to give suggestions and critic our choreography. We thank Sue for helping out and wish her a speedy return back to us.

The Sweet Adeline Gong Show was a huge success. The panel of Judges were led by Smokey "Of Many Hats" Meyer, Veda "Dancing" Smith, and Bill "Handsome" Jones, with Dick "Eat your heart out" Chuck Barris. Fuller handling the MC Job. Acts came from Houghton Lake, Grayling, and Roscommon, and we only wish all could be winners. Everyone did terrific jobs and were enjoyed by all in attendance.

The winning group, "The Oompah" Band surprised the audience with their own "Jean, Jean the Dancing Machine" while playing the Gong Show theme song.

An abbreviated chorus opened the show singing their competition songs, wearing our white slacks and rust top costumes...that is all except one...I won't mention any names, her husband was the MC, but one member wore an abbreviated costume, something happened with her sleeves...

Much thanks goes to Gen McCleery and Dorothy Gieger who chairedmaned the show and worked so hard getting it put together. Thanks goes to the school for the use of its facilities and the students that helped us out.

To The Editor...
We would like to express our gratitude to those people who attended the Grayling Elementary Spring Concert. Your support and attendance provided the children with feelings of pride and accomplishment. We feel that your support was the reason for their success. We hope that you should see by your response to the children, and by their response to you, that such an event is a very valuable learning experience.

We are very proud of your children and of our school, and hope that we will all continue to work together in support of the children's education.

Thank you.

Meadow Brook Theater To Present Play In Roscommon

Over eight months of planning and preparation have gone into the Meadow Brook Theatre's professional touring production of the Broadway comedy, **THE MALE ANIMAL**, which is being seen this spring throughout Michigan. The James Thurber and Elliott Nugent comedy will play at the Roscommon High School on April 25th for two performances. Curtain times are 1 p.m. and 8 p.m. The Meadow Brook Theatre visit will be sponsored by the Roscommon Chamber Music Society. For ticket information call 389-4508 or 275-8374.

Thanks to a grant from the state legislature, through the Michigan Council for the Arts, the Meadow Brook Theatre is again taking one of its major state productions, **THE MALE ANIMAL**, on the roads of Michigan where it will be seen exactly as it was at its home base at Oakland University in Rochester.

Members of the professional theatre's administrative and production staffs have been working on the tour for several months, talking with interested sponsors, arranging hotel and motel accommodations, planning travel routes for the cast and the entire production, preparing publicity kits for all of the sponsoring

Local CF Bike-A-Thon Approaches

The Cystic Fibrosis Foundation, and Crawford County Youth Services for "CF" Bike-A-Thon on May 6. The announcement was made by Darla Moore, volunteer chairperson for the 1978 CF Bike-A-Thon.

The course will begin with registration at Middle School Gym at 9 A.M. and will run for 3 miles. A participant may complete the course as many times as he wishes. The event is open to all persons who obtain prior sponsorship for at least 10 cents/mile. A person may get as many sponsors as he can. All proceeds will go to benefit children stricken with Cystic Fibrosis and related lung-damaging diseases. Official CF "I Did It" T-shirts will be awarded to all who bring in \$25 or more.

Cystic Fibrosis is a terminal, genetic disease which affects the lungs and digestive system of children. One in 20 persons (over 400,000 Michiganders) are carriers of the recessive CF gene. Research sponsored by the Cystic Fibrosis Foundation has increased the life expectancy of CF children by more than 16 years in the past 16 years of activity.

Anyone wishing to participate in this project should contact Darla Moore at 348-8525 for further details and registration forms. In case of rain this will be put off to a later date.

Director For Leisure Ministry

GAYLORD—The good word among the northernmost congregations of the American Lutheran Church's Midwest District is that some dreams really do come true. After years of planning, the Northland Conference has begun a ministry to people in leisure situations.

Called to serve as director of the new mission project spread over some 8,500 square miles, is Carl Heide, a former pastor in the Lutheran Church—Missouri Synod, and now a member of the Calvary Lutheran Church in Elk Rapids.

Heide explained that their work on the leisure ministry

project was begun several years ago. The intention was to reach people engaged in recreational activities of a traditional nature: campers, skiers, etc. Now, however, the conference's leisure ministry board has expanded its concern to direct the ministry to a variety of situations in which people find themselves with time they can use at their own discretion.

"This means," said Heide, "that now we will be seeking to minister to the retiree, the unemployed person, people who are disabled and shut in their homes and inmates in the area jails, as well as to the typical north country vacationer."

"Before, the concern was to provide worship services and pastoral care for people engaged in recreation," Heide continued, "but now our primary concern is to enable people with discretionary time to use it with the greatest possible meaning and satisfaction."

Funding for the new leisure ministries has come through the United Mission Appeal, a program of the American Lutheran Church, aimed at getting new ministries such as this started. \$60,000 has been given to the Northland Conference to initiate its leisure ministries. Administration of the funds is under the ALC's Division for Service and Mission in America.

Heide explained that this initial grant is simply "seed money". Within three years time, the conference will have to develop its own sources of funding.

At the present time, Heide's task is mainly one of administration, exploring and determining possibilities for the ministry and forming plans for program. He said that by early summer he will be ministering in several programs and training members of conference congregations to work in a wide variety of ministries.

His official installation as director of the Northland Conference Leisure Ministries will take place in a special service at St. Thomas Lutheran Church in Cheboygan on June 11 at 4 p.m.

Public Hearing On Aging Programs

Northeast Michigan Community Service Agency, Inc. will conduct a public hearing on the proposed Area Plan for Aging Programs for Region IX on April 26, 1978. The hearing will be held at the Common Nutrition Center, 4331 West First Street, Comins, Michigan from 1:00 p.m. to 4:00 p.m. Lunch will be available at 12:00 (one dollar donation for senior citizens). Reservations for lunch may be made by calling 517/356-3474.

This hearing will help to determine the types of services for the elderly offered in these Northeast counties for all concerned citizens, government officials, and service agency personnel are urged to attend.

Copies of an Area Plan Summary will be mailed on April 10 to the following locations:

County Buildings, Senior Citizen Centers, Title III and Title VII Sites, County Departments of Social Services.

Responsibility
The advertisement read, "For this job we need someone who is responsible." "That's for me," replied one job-seeker. "Everywhere I've worked, whenever something went wrong, I was responsible."

YOUR WEEK AHEAD By DAMIS

Forecast Period
For April 23-29

ARIES Mar. 21-Apr. 19	Concern over financial affairs calls for a discussion with members of the household. Keep others informed.
TAURUS Apr. 20-May 20	Social and business contacts bring about an increased sense of warmth and companionship.
GEMINI May 21-June 20	A nit-picky attitude toward hygiene and diet brings an emotional upset and adversely affects the health.
MOONCHILD June 21-July 22	Family gatherings and parties bring much pleasure. A romantic rendezvous is quite likely.
LEO July 23-Aug. 22	Dissension is in the family ranks baring all those supersensitive feelings. Diplomacy soothes hurt feelings.
VIRGO Aug. 23-Sept. 22	There are those who would love to "stifle" you as you rave on about trivial matters. They don't understand what got started.
LIBRA Sept. 23-Oct. 22	A materialistic attitude toward money and possessions causes others to take a longer look at you.
SCORPIO Oct. 23-Nov. 21	You are very aware of another's opinion of you. Be alert to a tendency to be an irritating factor.
SAGITTARIUS Nov. 22-Dec. 21	This week will find you in a contemplative mood with memories of other faces, other places.
CAPRICORN Dec. 22-Jan. 19	Unpredictable outbursts keep the group activities stirred up. Strive for discipline.
AQUARIUS Jan. 20-Feb. 18	Domestic responsibilities may interfere with professional responsibilities. Keep in mind the source that makes both possible.
PISCES Feb. 19-Mar. 20	There is no room in life for bigotry. Broadened awareness lets the sun in to dark corners.

PROBLEMS BIGGER THAN YOURS

That's right!

His problems seem bigger to him than yours are to you!

Sadly, that is one of the last things we understand about our children.

But some parents do understand their children's problems. They are careful to nurture soul and spirit as well as mind and heart. The years ahead will prove them right.

The role of the Church has never been to cut the problems down to the size of the man — always to build the man up to the size of his problems.

Recall Part VI

It has now been announced that a Special Election on the question of whether or not the Prosecutor should be recalled from office is scheduled for Tuesday, May 23, 1978.

The last day to register to vote is Monday, April 24, 1978.

We urge each and every eligible citizen of this county to be sure you are registered to vote-circle the election date on your calendar and-above all, VOTE.

We have copies of the signed recall petitions which we will make available, at our expense, to any person requesting a copy. If you wish a copy, please call our private office (348-3061) or the Prosecutor's office (348-2201) and make arrangements to obtain a copy.

This election, however unfortunate, will be of historic importance to the people of Crawford County. The cost of this activity has already been incurred. The question with all of its intricate subtleties is now squarely before each of you. Please do not fail to have your voice and your vote heard on this important public matter.

financial needs will be reviewed at the same time as the entire COOR budget is reviewed each year, and the curriculum will be reviewed by a Committee selected by the local Boards, which will report back directly to the COOR Board of Education.

16. It should be noted that under current operation of vocational programs, the money comes from the general operating budget of the local school. The present high school students being served at Kirtland are under a contractual arrangement with Kirtland. If a local school operates its own programs, they alone must provide the additional money necessary. State reimbursement will not offset the entire cost of vocational education. Generally a school district receives from 10% to 30% of the total cost in reimbursement, the remainder comes from local sources. Under the Area Vocational Center method, it does not cost the local school anything except transportation costs, as explained earlier. As soon as the millage is passed COOR will begin funding the present program at KCC, which will save local schools a sizeable amount in their 1978-79 budgets.

17. The facilities will be flexible enough to allow some fairly rapid changes in programming. When a course no longer seems to be preparing students for jobs, or student interest changes or the job market changes, fairly speedy changes in program can be made to offer better program alternatives.

Nagy indicated that further information will be made available concerning training needs, the economics of an Area Center, plans and schedules for buildings, student scheduling innovations and other topics.

HICKORY NUTS—On Monday, April 10, 1978, Erik Seidel brought hickory nuts from Fort Wayne, Indiana, for Mr. Hayes' fourth grade class to taste. The nuts were a big success with everybody. Most of the kids didn't know that they tasted so good because hickories do not grow in northern Michigan. They also didn't know that if squirrels find them, they will leave the other nuts (acorns, etc.) alone because they taste so good.

It's A Party

The Frederic Hobby Club gals are having a party Monday, April 24th, at the Frederic Town Hall at 8:00 P.M. There'll be games, prizes, refreshment and lots of fun!

The ladies of the community who are interested are invited to come.

Bits O'Talk

By Fay Bovee

It's clean-up time! So now to my favorite or "unfavorite" topic. Some of the Grayling Merc employees have swept away the winter debris alongside their building. We walkers thank you and all the other merchants and people who keep their walks swept. The Dutch have the right idea about washing their streets—maybe our favorite Kiwanis Dutchman could challenge the Rotary to a street scrubbing contest.

The new owners of the Funny Farm have given the building a facelift in keeping with the Milltown theme.

Our southern vacationers continue to return to the north. It's good to see you.

Mrs. Walter Truettner arrived home last week from her winter spent in Bimini.

Ralph Kaseman has returned to his home on Stephens Bridge Road after spending more than three months in Clearwater and Fort Myers, Florida.

Mr. and Mrs. Wallace Robinson and seven children combined a business trip and vacation to Florida where they spent three weeks.

Mrs. Raymond Priebe and Ray and Steve took their week's vacation in Charlottesville, Virginia, where it was warm and sunny and the flowers were in bloom.

Watch for May 13!

Bill Scheer arrived home from Florida last Friday evening.

Adelaide Laurence is back in Grayling from her winter vacation. She visited her sister and aunt in Winter Park and then went on to Pine Island, returning to Winter Park before coming home.

Mr. and Mrs. Bill Sorenson vacationed for three weeks in Florida. They were in Lake Placid for a couple of days, at Naples for a week, and also visited Sam and Norma Gust at Everglade City. They met Bill's sister and husband, Fred and Evelyn Jones, to spend a few days with them.

Week-end guests of Mr. and Mrs. Jim Wiltse were his cousins, Mr. and Mrs. John Lynch of Saginaw.

Hospital Auxiliary Sponsoring Lecture

The Mercy Hospital Auxiliary is sponsoring a free lecture on "Nutrition and Diets" for the public on Wednesday, April 26th at 7:00 p.m. in the north wing of Mercy Hospital. Mrs. Pat DeGruy, registered dietitian, will give the presentation.

This is the first of a series of programs the Mercy Hospital auxiliary is offering the community in the health care field.

If you are at all interested in good nutrition, maintaining a specific diet, questions about fat diets, diets to lose weight properly where to obtain medically approved diets, diabetic diets or the interesting field of hospital nutrition please plan on attending.

Your attendance will let the Mercy Hospital Auxiliary know that you are interested in exploring the wide array of community health programs that the auxiliary would be able to offer you in the future. See you April 26th at 7:00 in the north wing of Mercy Hospital.

Thank You

We wish to thank all who sent flowers, gifts, and cards. Also Rev. Spencer for his visits which meant so much during my stay in the hospital.

City Council Proceedings

Regular meeting of the City Council held Monday, April 16, 1978 at 7:30 P.M.
The meeting was called to order by Mayor McEvers at 7:30 P.M.

Members absent: Failing.
Also in attendance: Jerry W. Morford, City Manager, Nelson A. Miles, City Attorney and Allen V. Schreiner, City Treasurer. Others in attendance on attached list.

Motion by Golinick, supported by Johnson that the minutes of the meeting of March 27, 1978 be approved as presented. Ayes: 4, Nays: 0. Absent: 1. Motion carried.

There were no citizens present who wished to address Council. Communications were received from:
Milltown Refuse, Inc. re: Rates for 1978-79 this will be used in budget preparation.

Mary Harland re: Law Enforcement Committee meeting on April 19, 1978.

MML re: Region 8 & 9 meeting May 11, 1978 at Cadillac.

Jean Rizer re: Twenty States rally.

NEMCOG re: Clean Water Plan approval.

Judd Perkins re: Regional AIWWA meeting on April 18, 1978.

Downtown Committee re: meeting.

Richard Burr re: Summer plans for Beer Tent. A general discussion about several matters relative to this proposal took place. Some objections were registered by Mr. Fraser. Council took no action until Mr. Morford shall have an opportunity to examine the property as related to the Zoning Ordinance. Motion by McEvers, supported by Thompson that action be tabled until April 24, 1978. Ayes: 4, Nays: 0. Absent: 1. Motion carried.

Old Business.

Discussion took place concerning City participation in the Airport operation expenses. Mr. Morford pointed out that this matter had been tabled at a previous meeting. Mr. Golinick stated that he opposed participation in this program.

Mr. Thompson pointed out that since City taxpayers are already paying County taxes, if additional monies were paid, the City taxpayers are paying twice. Mr. Fraser said that he felt that the Airport is beneficial to the community. Council did not disagree with this statement. Mr. McEvers stated that the problem he has with this matter is the attitude of some of the County Commissioners. Mr. Miles stated that he and the City have been involved in this area for a number of years and that the City had carried it along until about three or four years ago. He said that in his opinion the airport will require that the City participate until sometime when the operation will be solvent. Motion by Golinick, supported by Johnson, that action be tabled until April 24, 1978. Ayes: 4, Nays: 0. Absent: 1. Motion carried.

A possible Assessors Plat of a portion of Section 8 was discussed. Mr. Morford presented an estimated cost for such a Plat from R.S. Scott Co. of \$15,400.00. He recommended that Council take no action at this time.

Finalization of sale of the former sewage treatment plant property to Jeanne M. Thompson, took place. Motion by Golinick, supported by Johnson: "RESOLVED: THAT PROPERTY DESCRIBED AS PARCEL A: Part of the Southwest 1/4 of the Northwest 1/4 of Sec. 8, Town 26 North, Range 3 West, City of Grayling, Michigan, Commencing at the West 1/2 corner of said Section 8, thence South 89 degrees 58 minutes East (along the East and West 1/2 line) 307.74 feet to the P.O.B.; thence North 13 degrees 45 minutes East; 266.32 feet; thence South 87 degrees 00 minutes East; 288.70 feet to the Left bank of the AuSable River; thence South 54 degrees 38 minutes West (along said river bank); 117.2 feet; thence South 27 degrees 07 minutes West (along said river bank); 57.3 feet; thence South 13 degrees 05 minutes West (along said river bank); 128.2 feet to the East and West 1/2 line; thence North 89 degrees 58 minutes West 200.96 feet to the P.O.B., containing 1.4 acres. This parcel extends to the waters edge of the AuSable River with full riparian rights thereto. Subject to easements of record. BE SOLD TO JEANNE M. THOMPSON FOR THE SUM OF \$15,259.00 AND THAT THE MAYOR AND THE CLERK OF THE COMMON COUNCIL OF THE CITY OF GRAYLING BE AUTHORIZED TO EXECUTE THE NECESSARY DOCUMENTS TO TRANSFER THE TITLE OF SAID PROPERTY TO THE PURCHASER." Ayes: 3, Nays: 0. Absent: 1 (Thompson) Absent: 1. Motion carried. Mayor McEvers signed the deed and Mr. Morford will have the deed recorded.

New Business.

Mayor McEvers opened the public hearing of City Council and Grayling Township Board on proposed Cable T.V. rate increase. Note: The following Grayling Township officials were also present for the Cable T.V. rates hearing: Supervisor Bernard Fowler, Clerk, Elizabeth Wieland, Trustees: Marvin Hallett and Floyd Millikin.)

Mr. Gregory Klein and Mr. Reynolds appeared to answer questions about their proposal for an increase from \$6.50 monthly rental rate to \$7.00 per month and an increase on extra outlets from \$1.50 to \$1.75 per month. Mr. Thompson asked "If the rate increase were refused would the operation shut down?" Mr. Klein said that would not be the case. He detailed some of the problems the company is facing. Mr. Stephan stated that if a rate increase was granted he would have the installation removed from his home as he is not happy with the quality of service. Mr. Clyde Borchers stated that he is completely satisfied with the service. Mr. Klein said that possibly some new channels would be added at some future time. Mr. McEvers declared the hearing closed.

Mayor McEvers opened the public hearing on a proposal to rezone Outlot A of Block 1 of Marsha M. Brinks Second Addition OS and R-2 to C-1. Mr. Morford detailed the property and those parcels surrounding it. Both Mr. Stephan and Mr. Barber, who are neighbors, stated that they had no objection to the rezoning. Mr. McEvers made the motion, supported by Golinick, that the matter be tabled until April 24, and that a staff report be available at that time. Ayes: 4, Nays: 0. Absent: 1. Motion carried.

Mr. Morford presented the proposed street construction program for 1978. This project would include storm drains on Michigan Avenue, Ogema, Plum or Erie and Lake Streets and paving with curb and gutter on Lake Street from Maple to North Down River Road. Motion by Thompson, supported by Golinick that the City Manager be authorized to proceed with program and have R.S. Scott Associates of Alpena prepare plans and specs for bid letting as soon as possible. Ayes: 4, Nays: 0. Absent: 1. Motion carried.

Report of Councilmen.

Mr. McEvers said that he had had a request from the Lions Club to fly their White Cane Flag on the City flag pole. Council had no objection to allowing the request on a trial basis.

Mr. Golinick asked about sidewalk plans for the present fiscal year. Mr. Morford said that plans were in process. Mr. Golinick stated that maybe sidewalk should be installed on Michigan Avenue across from the Elementary school.

Report of City Manager.

Settlement of the Scheer fence matter. His testimony in Lansing on HB 4030.

Resignation of Neil Rouse from Police Dept.

Status of 1978-79 budget.

Status of truck bids.

Spring clean-up.

Projected State Equalized Value estimate \$15,274,000.00.

Notice of Prosecutors recall election May 23, 1978.

Grayling Little League.

Posting of two houses in city by Health Department.

Motion by McEvers, supported by Golinick that Council enter Executive Session to discuss Police Dept. Ayes: Thompson, Johnson, Golinick and McEvers. Nays: None. Absent: Failing.

Johnson carried. Council entered Executive Session at 10:00 P.M. Regular Session resumed at 10:23 P.M.

Motion by Golinick, supported by McEvers that the meeting be adjourned. Ayes: 4, Nays: 0. Absent: 1. Motion carried. Meeting adjourned at 10:25 P.M.

Default having been made on the part of the mortgagors in the terms and conditions of a certain mortgage given by Russell K. Hahn, a single man, to First Savings and Loan Association of Saginaw, Michigan, a Michigan corporation, bearing date the 17th day of June, 1977 as recorded June 27, 1977 in Liber 161, page 17, Crawford County Records.

Because of said default, said Association, by virtue of the option given it in said mortgage, has heretofore, and does now, declare the entire principal sum secured to be paid by said mortgage to be due and payable, and there is now claimed to be due and unpaid thereon the aggregate sum of: Twenty Three Thousand Six Hundred Ninety One and 97/100 (\$23,691.97) Dollars and no suit or proceedings having been instituted at law to recover said sum, the debt remaining secured by said mortgage, or any part thereof.

Therefore, by virtue of the power of sale in said mortgage contained, which has become operative by reason of said default and the statutes in such case made and provided, notice is hereby given that said mortgage will be foreclosed and the premises described therein sold at public auction to the highest bidder, by the Sheriff of said County, on the 12th day of May, 1978, at two o'clock in the afternoon at the front door of the Court House in the City of Grayling and County of Crawford, Michigan; said Court House being the place of holding the Circuit Court for said County, which premises are situated and being in the Township of Grayling, County of Crawford, State of Michigan, and described as follows:

Lot 21, Whippoorwill Subdivision.

The period of redemption is six (6) months.

Symposium On Domestic Violence April 22 at Manistee

Spouse abuse, child abuse and alcohol-related violence will be the themes of a day-long conference slated for April 22 at 9 a.m. at the Ramsdell Theatre, Manistee, Michigan.

Speakers from across the state and Minnesota will present topics during the

day-long Symposium on Domestic Violence sponsored by the Manistee Counseling Center.

The session is slated to open at 9 a.m. with a morning overview of domestic violence; topics under discussion will be the victim conditioning of women, legal dilemmas involved in domestic violence and proposed legislation needed to change the system.

Connie Binsfield, R-Traverse City, will be on the morning panel along with State Trooper Del Gates of Hart, Jan BenDor, from Ann Arbor and Pat Micklow, assistant prosecuting attorney at Marquette, Michigan.

Margaret Maxey, a professor of religious studies at the University of Detroit, will present a program on the religious conditioning of women down through the ages.

The afternoon will be broken up into a series of workshops involving speakers and participants in a series of topics to include: The Legal Dilemmas of Domestic Violence, Victim Assistance, Child Abuse, Incest and The Alcohol Connection.

Those interested in attending the symposium should send their name and address to Symposium, Manistee Counseling Center, Manistee, Michigan, 49660. Cost and registration fee is \$5. High school students will be admitted free. Pre-registration appreciated.

Mr. Howard D. Madsen
Publisher
Crawford County Avalanche
Grayling, Michigan

Dear Editor and Publisher
AVALANCHE:

Sorry about this!

Reference is here made to the fact that at one time when the Meze family was planning to make the 'heart' of the Northland our permanent home (after retirement) the undersigned, masquerading under the pen name of "Sandy Pines Pete" had the audacity, the guts and the impudence to 'bargle' in on you when you were very busy getting out the weekly issue of the Avalanche.

For this I now make public my apology for the intrusion on your time. I did so reflect at the time but have been remiss until this occasion. I wouldn't have thought about it now even, but then we got to talking with the "young" chap who operates the store across the street from your office. (What's his name) of course you would know him, he has been a main line merchant of Grayling for almost all his life—well, for forty years at least—so he told me this 19th day of March.

Another reason I will be 'hanging out' around Grayling in future times is that Matt and Ruth Bidvia have prevailed upon us, my wife Nell and I to consider their Mt. Hope church as a welcome haven for our spiritual needs (coming as we have from downstate, and temporarily out of touch with any definite church-home) and Ruth and Matt being such a charmin' couple we just might want to worship our Lord in their company.

Specifically, I write this note to inform you that, though you left an open invitation to see you after we were settled in our Gerrish Township home, I "reniged" on your offer to freeloader for your paper. Instead I 'latched' onto an offer from Tom Hamp of the Houghton Lake Resorter where I have a weekly column under the heading "...of People...and Events" by Sandy Pines Pete.

Surely, you will find it in your good heart to forgive my transgression in this matter. If you do, then I'll leave a sigh of gratitude and say, "Thanks, dear Lord. For a 'straight' shooter like Howard D. Madsen, publisher of the Avalanche!"
Signed) Sandy Pines Pete

Potato Toppings

Here's a list of slim potato toppings: Toasted sesame seeds, whipped butter and a dash of poppy seeds; a small amount of slivered pimento and green pepper; a spoonful of stewed tomatoes and coarsely grated cheese; melted butter or margarine thinned with lemon juice; or, sliced mushrooms marinated in low-calorie dressing.

2 Guardsmen Receive Awards

CW4 Dwain Hall
Commander of the ARNG Training Site Support Command, LTC William D. Sloan, at left, on Saturday April 8th 1978 surprised CW4 Dwain Hall when he presented him with a long deserved award. Chief Warrant Officer Hall who presently resides in Grayling has been in the Michigan Army National Guard since 1946. He received the Army Commendation Medal for distinguishing himself with exceptional meritorious service while serving as an Automotive Maintenance Technician. He is a member of the 1071st Maintenance Company at Camp Grayling. During the period of 1 April 76 to 1 December 77 he displayed unusual initiative. With his professional competence and sound judgement in the performance of his duties, he is instrumental in the development of the Unit to its present high degree of maintenance capabilities. CW4 Hall is highly respected as a very dedicated officer. His efforts have been in the highest traditions of the United States Army.

CW3 John Welt
Commander of the ARNG Training Site Support Command, LTC William D. Sloan, at left, on Saturday April 8th 1978 awarded Chief Warrant Officer John Welt with the Legion of Merit Award. CW3 Welt presently resides in Grayling and has served his country with the Armed Forces and the Michigan Army National Guard since 1953. He received his award while serving as an Automotive Maintenance Technician and a platoon leader. Due to the shortage of commissioned officers, he has also devoted much of his personal time assisting in the inventory and maintenance of the company equipment. His boundless energy, vast knowledge and efficient operating procedures proved as an invaluable tool in the training of new personnel. CW3 John Welt is to be commended for his devotion to the Michigan Army National Guard.

Hospital Auxiliary Bake Sale

The Mercy Hospital Auxiliary is sponsoring a bake sale at Glen's Market on Friday, April 21, 1978 starting at 10:00 A.M. Mary McCarthy and Jan Harvey are chairpersons of this fund raising event. When you walk into Glen's Market Friday morning and see the smiling ladies in red jackets stop by to see the array of home baked goods they will have on display for you to choose from. The proceeds from this bake sale will be used to purchase equipment for Mercy Hospital which is needed to help in the total health care of the patient. See you all at the Bake Sale Friday morning at Glen's Market.
